

Anna Barwick

Media Kit

CEO and Founder of
PharmOnline.

Clinical Pharmacist,
Academic, Educator and
Entrepreneur.

Anna, through PharmOnline aims
to put a pharmacist at the
fingertips of every Australian
household, 24/7.

Meet Anna!

Anna is a multi-award winning Clinical Pharmacist, Academic, Educator and Entrepreneur who is passionate about making a difference for both regional Australians and the discipline of pharmacy.

She is CEO and founder of PharmOnline (<https://www.pharmonline.com.au/>) which aims to put a pharmacist in every home in Australia, 24/7, through the use of telehealth services.

PharmOnline is currently pioneering programs in Tasmania through the Pharmacist After Hours Advice Line (PAAL) through the Pharmaceutical Society of Australia supported by the Tasmanian Government and the national Gestational Diabetes Thrive Program supported by NSW Government.

She is Senior Lecturer in Pharmacy at the University of New England School of Rural Medicine and is midway through a research based Doctorate at the University of Queensland focussed on regional telepharmacy.

Anna's Background.

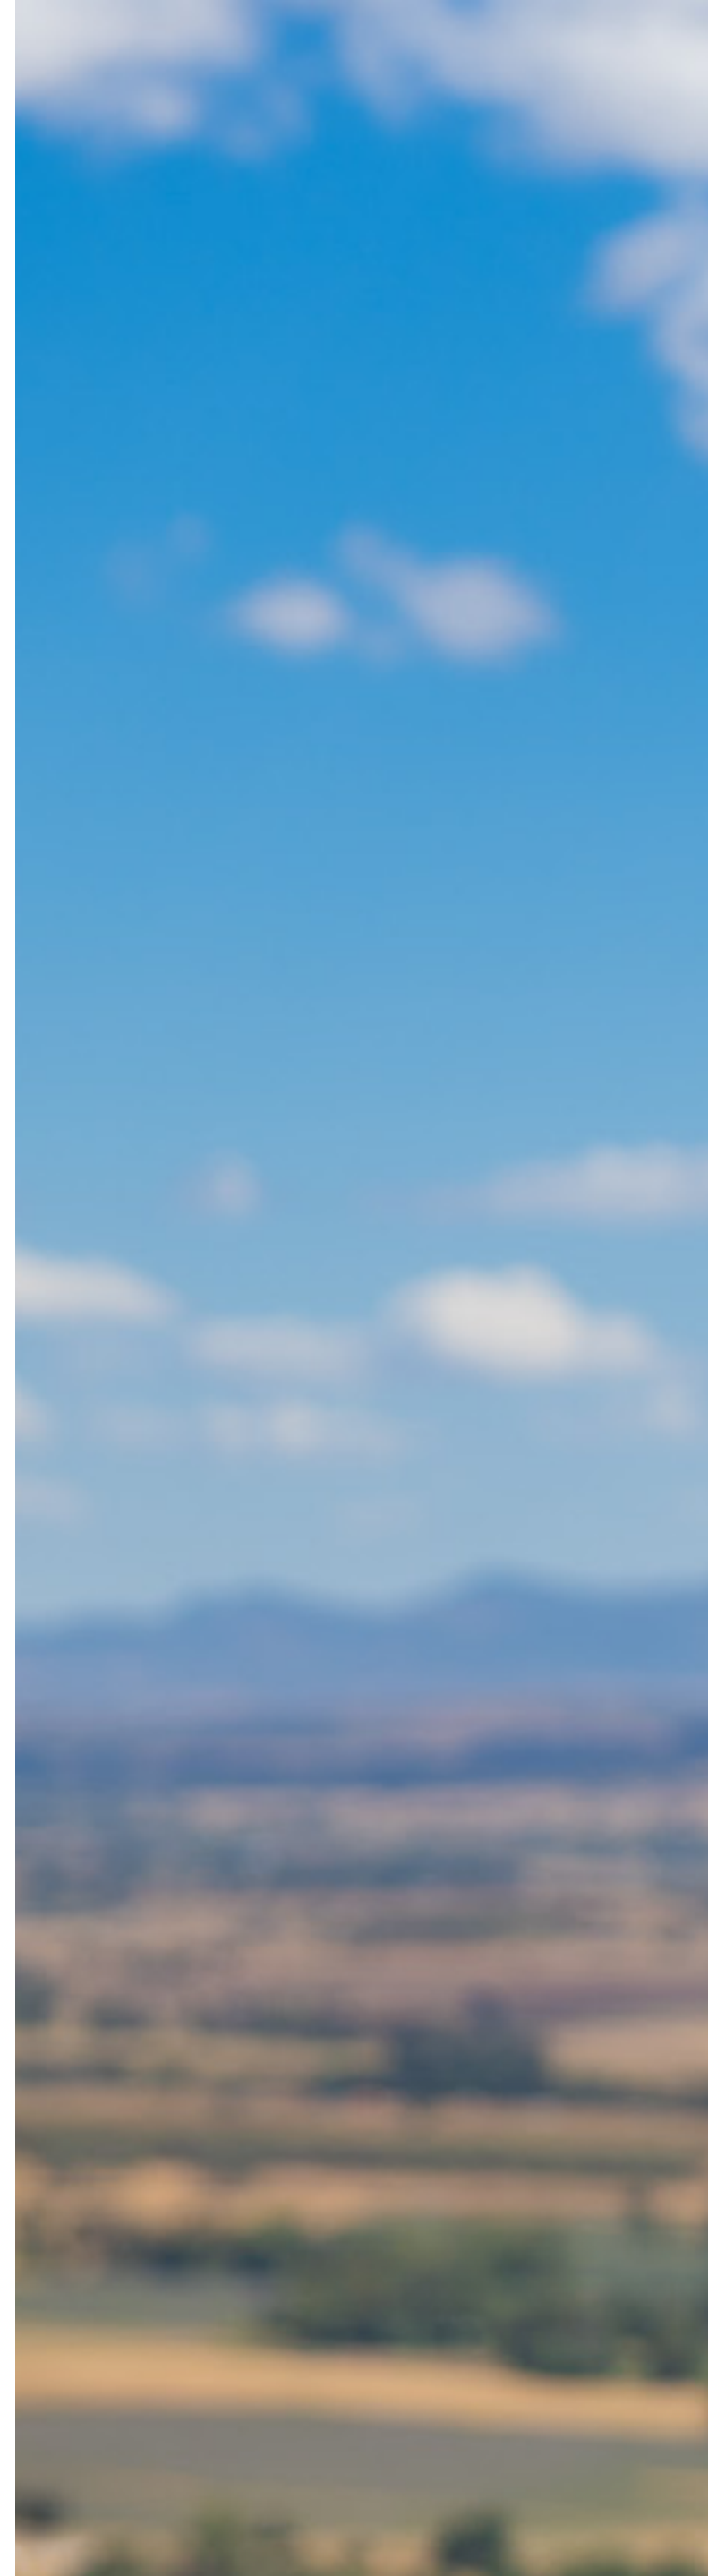

Expertise.

- ✓ Clinical Pharmacy
- ✓ Diabetes Education
- ✓ Asthma Education
- ✓ Pharmacist Immunisation
- ✓ Telehealth Provision

1. Extending the ability of the pharmacist sector to support allied medicine, particularly in pharmacist prescribing for common ailments.
2. Improving the health of all Australians through education, advice and advocacy. Equipping and encouraging people to be able to advocate for themselves in the health system is an important legacy that she intends to leave behind.
3. Research interests focus on women's health, including medical termination of pregnancy, domestic and family violence support, gestational diabetes, along with telehealth services, and deprescribing of potentially harmful medication.

Areas of Interest.
